

*****Please fill out this application and email Rochersedona@gmail.com ASAP! Only 10 students will be selected for the team due to official Lego League rules. *We want the team to be 5 girls and 5 boys.***

Thank you for your interest in Rambotics.

This team will meet 1-2 times a week between September and mid-December. We will meet a few times in August. We will be building a robot, coding programs for that robot and doing a research project. Please watch this video to understand what FLL is. The fees will be between \$50-\$100.

We keep them to a minimum.

RAMbotics 2019 Application

Name: _____ Grade: _____

School email: _____ Parent's email: _____

1. Did you apply last year were not selected to be on the team?
2. Can you make a weekly after school meetings a priority over other activities?
3. Do you understand that you will be involved in all aspects of this project including the research?
4. Why are you interested in being on RAMbotics?
5. Explain your interest in STEM.
6. Do you have any experience in STEM? If so, what?
7. Do you work well with others?
8. If you were working on a project with a group, and you and two members all had very good ideas, how would you handle whose idea to continue with? (use the back if needed)
