## THE STORY OF THE UNICORN AND THE WIZARD

The individual talents of a husband-and-wife team combine to distinguish Jay Feder Jewelers as an original... fast becoming South Florida's hottest new gem.

Marc & Devorah Feder opened the South Florida location of Jay Feder Jewelers at the Boardwalk in Boca Raton in October 2017. The space, at more than 4,000 square feet, is the couple's third branch of the brand, which has a 42 year old flagship store in Denver and a location in New York City.

A full-service destination for important diamonds, colored gemstones, pearls, timepieces, and up and coming designer jewelry, JFJ offers a wide array of services, including expert jewelry repair, appraisals, estate purchasing and consulting, custom creations and redesigning.
