

Volunteer Opportunities for Nativity's Medical Equipment Loan Closet

We are in need of volunteers! There are several ways to volunteer with MELC

-Responding to Calls – we have a dedicated line at the church for MELC inquiries. These calls need to be returned & appointments scheduled.

-Hosting Closet Hours – be on-site for specific hours for the community to come borrow & return equipment.

-Hosting On Call Appointments – some requests can't wait til the Closet is open again. We'd like to offer the community the ability to access the Closet by appointment in these cases.

-Cleaning & Repairs – when the equipment is returned, it needs to be cleaned & inspected.

-Organization – Once in a while, the Closet needs to be cleaned and tidied. We want our hosts and guests to feel safe and welcome in our space.
