

- **New! Coffee Attendant (11am service):** Are you a coffee lover? Want to make sure others can enjoy a cup on Sunday morning? This is an on-going volunteer job that could easily be filled by a **small team of late service members**. Duties include turning on the dishwasher before the 11am service, then after the service, empty and rinse carafes and run coffee cups through the dishwasher (it takes about 15 minutes to run all the cups through the wash and they air dry (**bonus!**)). Training provided.
- **New! Acolyte and Crucifer Scheduler:** At home job - Need someone to compile the Acolyte and Crucifer Schedule (it's combined) and distribute via email. This is done quarterly. Would love someone to commit for all of 2019, but willing to take a volunteer that can complete through June.
- **Name tag coordinator:** 1-2 hours a week (your choice of day Mon thru Thurs) *for only two weeks* beginning the week of 12/31. Put tags into church database and then replace on name tag boards. This job will keep you busy and sharp. **FILLED!**
- **Recycling collector:** temporary job (until our regular collector is back on his feet). Once a week, break down and collect recycling in the sanctuary and transport it to Lutheridge's bin. If you have some aggression you'd like to take out on boxes and a vehicle to transport recyclables, this job is for you! **FILLED!**
- **Reader scheduler:** at home job that compiles reader schedule by the month or by quarter and distributes to volunteers via email. Minimal recruiting as we have a lot of wonderful readers waiting to be scheduled! Would love a commitment for all of 2019.
- **Usher scheduler for 8:30 service:** at home job that compiles usher schedule by month or quarter and distributes to volunteers via email. Ushers are already recruited, just need someone to let them know where to be when and love commitment for all of 2019. **FILLED!**
- **Refrigerator "Cleaner-outers":** need a couple of folks for one time job to get our large fridge in the kitchen into shape. It's a tough job, but as the saying is "somebody's gotta do it". **FILLED!**
- **Sermon recordings:** need a volunteer at each service to start and stop the MP3 player in the back of the sanctuary to record worship services. You're here anyway, right? Couldn't get any easier than this, folks.
- **Room assemblers:** as needed (maybe twice a month) to set up or break down tables and chairs for occasional large gatherings. A great job to bring a friend along! **FILLED!**

Questions or are you ready to sign up? Contact **Michele Grush**, Parish Administrator in the Church Office 684.0352 or [admin@nativityarden.org](mailto:admin@nativityarden.org). Thank you!!!
