

Funding Opportunities

Infosys Foundation USA

Infosys Foundation USA has launched its second year of the Infy Maker Awards competition to provide \$10,000 to adult Makers who are working on social impact projects and tackling important challenges. This year's themes are *education, health, environmental sustainability and combating hunger*.

The deadline for applying is Feb. 28, 2017.

Applying for an Infy Maker Award is very easy:

- Visit www.infymakers.com
- Upload a 90 second video and a photo
- Answer several questions about your project and the problem you're trying to solve
- Press submit!

*Applicants must be 18 or older (19 if you're in AL or NE) and a U.S. resident to be eligible for an Infy Maker Award.

If you're a Maker with an innovative solution, we hope you'll apply! And please feel free to spread the word and share this with others who might be interested in participating. Below are several messages that you can use on social media, if you like:

- Have a Maker project in ed, health, environmental sustainability or combating hunger? Enter to win 10K: infymakers.com #whyimake
- Infosys Foundation USA is supporting Makers having a social impact in their communities: infymakers.com #whyimake
- Makers are tackling local and global problems- Infosys Foundation USA is supporting them with \$10K awards! infymakers.com #whyimake

U.S. Department of Justice (DOJ), Office of Justice Programs (OJP), National Institute of Justice (NIJ)

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [National Institute of Justice](#) (NIJ) is seeking applications for research and evaluation related to bias crime perpetration and victimization. Research proposed may be focused at the State, local, tribal, federal justice policy and/or practice level. This program furthers the Department's mission by encouraging and supporting research, development, and evaluation to improve criminal justice policy and practice in the United States.

Research on Bias Crimes Applications Due: April 3, 2017
