

**Energy Saver**

# **Want a free business energy check-up?**

Get a virtual site visit with an energy expert.

## **For many businesses, energy bills are a significant expense.**

The NSW government is funding two hours of free virtual one-on-one advice to help you understand how your business can save energy and money.

### **You will receive:**

- ✓ a free two-hour, one-on-one session with an independent energy expert at your business
- ✓ a walk-through of your business to identify key energy-intensive equipment
- ✓ a review of your energy bill
- ✓ recommendations on NSW government training courses and financial incentives
- ✓ a report summarising your energy use and a plan with suggested priorities to reduce energy consumption

## **Register today for your free consultation!**

Open to any size or type of business. All you need is a business location in NSW and an ABN. Once you register, we will contact you to arrange a suitable time.

Register today and we will book you in at a time suited to you: [energysaver.nsw.gov.au/business/emb-courses#free-courses](https://energysaver.nsw.gov.au/business/emb-courses#free-courses)
