

## CAROL BAILIFF, CPA

### Senior Tax Manager

Carol holds a BS degree from Metro State University of Denver and has worked for our firm since 2002. She has experience working with businesses of all kinds, including limited liability companies, partnerships, S corporations, C corporations, and trusts. Carol wants to help clients succeed and can assist with multi-state taxation, tax planning, small business advisory services, and IRS issues. Carol loves spending time outdoors, and volunteering with her dog for pet therapy at a local hospital.

#### **Fun Facts about Carol:**

***If Carol was not a CPA, she would be a professional dog walker!***

***Carol's first job was a paper route.***

***When Carol retires, she would like to live near a beach. She loves to eat fresh caught seafood!***

***If she could meet anyone, it would be Amelia Earhart because of her courage. Carol herself would love the ability to fly like an eagle!***

***Carol's favorite part of her job is meeting with clients and helping them keep current on their tax filings and assisting them with the challenges they face regarding the complexities of the tax code.***
