To schedule your commercial license exam, we **MUST have your *processed* license application on file with Marine Patrol AT LEAST 10 days prior to your preferred testing date/location.**

***Please do not bring your applications to Marine Patrol requesting immediate processing.***

Camps must email Marine Patrol at least one week in advance to confirm all anticipated applicants are on the roster. Proctors will not be able to make exceptions for anyone arriving to the test date/site that is not scheduled.

Proctors at these locations ***WILL NOT*** test anyone who is not on the roster.

Please use the following email address for confirmation: [mpfrontoffice@dos.nh.gov](mailto:mpfrontoffice@dos.nh.gov)

Please do not call Marine Patrol to “hold” a position in anticipation of a new or late arrival. We understand many of your camp employees arrive from out of State/Country; but our testing dates fill up quickly and we cannot hold a position without a processed application on file.

For questions, please contact Marine Patrol @ 603-293-2037 ext. 2

We, at Marine Patrol, hope you all have a safe and prosperous Summer Season!
