Dear Friend of Saint Joseph Elementary School,

Serving Alameda and neighboring cities since 1881, St. Joseph Elementary School offers a time-honored Catholic education to students from Transitional Kindergarten through Eighth Grade. Inspired by the teachings of the Catholic Church and driven by the spirit of effective collaboration, we join together as a diverse community to educate our students to be the future community of our school, church and the City of Alameda.

On **Saturday, March 30, 2019**, members and friends of the Saint Joseph community will put on their **“Boogie Shoes”** and come together for a festive night of bidding, dining and dancing, at our annual school auction and dinner dance, being held at the Alameda Elk’s Lodge. All of the money raised at this event will go directly to the students by supporting exciting enrichment programs such as field trips, special assemblies, our school musical and much more!

The contributions of our families, alumni and the generosity of businesses within our community make this event successful. **Please help us support the students by grabbing your own “Boogie Shoes” and becoming a valued sponsor of the event this year.** Your donations help make it possible for SJES students to realize their full potential through enriching programs that enhance each student’s commitment to social justice and higher education.

We’ve enclosed the Sponsorship Commitment Form and description of benefits. There are several opportunities for you/your business to express its level of support. We would be happy to talk with you further about this opportunity as well as our school’s mission, who we serve, and the results of a Saint Joseph Elementary School education.

We look forward to our partnership.

Sincerely,
