

# 2025 DAIRY FESTIVAL DAYS APPLICATION PACKET

**Date:** Friday, June 6 & Saturday, June 7

**Location:** Canton, NY Village Park

April 1, 2025

Dear Dairy Festival Applicants:

The St. Lawrence County Chamber of Commerce is excited to be coordinating the 61<sup>st</sup> Annual Dairy Festival Days. Canton's Annual Dairy Festival has traditionally served to bring people together and showcase an integral part of the community - the dairy industry! This is a two-day event with merchandise and food vendors, informational displays with activities, agriculturally based demonstrations and more. We invite you to join us for the festival's annual celebrations. **Please read this entire application packet** as it has important information on having a booth at the festival and any details that might differ from past years. Note that the packet has two separate applications, one for sales vendors and another for display vendors. A separate packet is available for parade participants.

This year, we are pleased to announce that we will be offering a special rate for Farmer's Market Sales Vendors! In previous years, we have received feedback requesting more focus on local agriculture, and we listened! Please see the **Price** section below to find out more.

## **REQUIREMENTS:**

Attached, please find 2025 Dairy Festival vendor applications. Please submit your completed application with payment to confirm your spot. The sooner we have our list, the sooner we can promote individual vendors. Credit/debit cards will include a 3% processing fee and checks can be made payable to 'SLCCOC' or to the 'St. Lawrence County Chamber of Commerce'. An invoice/receipt will be provided when your application is approved, and your payment has been processed.

**Registration and payment are due by Friday, May 9th.** If you do not submit your application or registration fee by the deadline, you will not be able to set up your booth. Applications that are not approved will have their payment returned. All vendors will be checked in during set-up times each day. Vendors will be provided with a map of your designated booth location.

**Agricultural and Canton-based vendors or displays will be considered as a priority.** Applications will be reviewed and approved on a case-by-case basis.

Vendors selling taxable items are responsible for having a *Certificate of Authority* (New York State Sales Tax ID), Liability Insurance, permits from the Department of Health, or other licenses and permits pertaining to the specific business. Vendors must have applicable business documents onsite in case of an inspection. Sales vendors must have their *Certificate of Authority* displayed.

The following items are **restricted** from being sold, provided in the park or on the streets: silly string, snappers, poppers, invisible ink, incense, weapons, and drug-related paraphernalia.

### **WHAT TO EXPECT:**

We are looking forward to hosting a showcase of local items and businesses and will begin marketing via newspaper, social media, and radio advertising.

All approved vendors and displays will receive a confirmation email in addition to emails leading up to the event with set-up and check-in information.
