

Make a meaningful donation in honor of your teacher this holiday season!

Join us in saying **THANK YOU** to our teachers for their passion, creativity and dedication!

The Foundation for WHPS Teacher Gift Program is a great way to acknowledge our teachers this holiday season. Make a donation in their honor and we will do the rest. Each teacher or administrator will receive a special e-card from YOU!

Grants awarded by the Foundation fund opportunities above and beyond what the school budget allows and that is why your support is so important to the work we do. Your donation to the Teacher Gift Program will help us continue to create excellence beyond the school budget limits!

Our Mission: To provide financial support for educational projects, programs, and initiatives that will enhance and enliven the classroom experience and promote excellence in West Hartford Public Schools.

The Foundation for WHPS is an independent, non-profit 501(c)3 organization.
