

September 2022

Dear Class of 2023 Parents/Guardians,

The school counseling department looks forward to our continued partnership with you throughout the fall of senior year. Please review the [Senior Planning Presentation](#) and [informational video](#) we have prepared for you. It includes important details about senior planning such as our internal process in the school counseling office, important forms, deadlines, and ways that you can be supportive of your child's future plans. Whether your child is aiming for college, trade school, employment, a gap year or military service, we encourage you to review the important presentation above. We also invite you to join us for one of three in-person Q & A sessions as well as the opportunity for virtual drop-in sessions where you can ask any question!

Senior Planning Virtual Sessions will occur on:

Thursday, September 15th at 7:30 am and 12:00 pm

Friday, September 16th at 7:30 am and 12:00 pm

Optional Senior Planning In Person Q&A sessions will be held

at Hall High School in Room E131 on:

Wednesday, 9/14 6:00pm

Friday, 10/14 8:30am

Thursday, 11/10 1:00pm

We recognize that most of our students are planning to apply to college. Research indicates that the most effective college planning is achieved when parents and students both are actively involved in all aspects of the college selection process and as such we are encouraging you both to review the presentation and for parents/guardians to attend a meet. Please be advised that you must sign and return a copy of the [Hall- Permission to Release Records](#) form to our office before any records can be released. Completed forms can be brought to the School Counseling Office anytime or emailed with the subject line "Release" to lori-ann_dunbar@whps.org.

We are looking forward to working with you and to seeing you at one of the Meets!

Sincerely,
Hall School Counseling
