## *The Talk: Transitions*

Let's talk about Transitions. Join CPCGH's Voula Coss, LCSW and Kaleea Alston Griffin, LCSW as we discuss transitioning to Kindergarten, Middle School and High School and the anxieties, headaches and joys that happen during these pivotal years.

The goal of this discussion is to create a space for families of color to begin finding community in your buildings, provide tips, and need-to-knows as you navigate your way through the systems, and how to advocate and develop relationships with your school leaders. If you are feeling lost in the process or want to be of support to other parents please join us on Sept. 28th at 7 pm via zoom.
