

Downloading the CubHub App

For iPhone Devices

For Apple Devices, use the Apple App store to download the CubHub App.

- 1) Go to the Apple App store by tapping this icon

- 2) Search for CubHub in the search box.
- 3) Tap the icon that looks like this to download the app.

*If you already have the app on your phone from another company, you do not need to download it again. You will receive a log in name that is specific to NBN.

*It is best to turn on auto updates for apps on your device to ensure you have the most current version of the app on your phone.

For Android Devices

For Android devices, use the Google Play Store to download the CubHub App.

- 1) Go to the Google Play Store by tapping this icon

- 2) Search for CubHub in the search box.
- 3) Tap the icon that looks like this to download the app.
