Dear Mr. Burnside,

The Islamic Center of Greater Cincinnati would like to thank you for your recent stance on clarifying the false accusations about hateful comments being made at Lakota East High School.

In addition, providing a safe environment for children to express their solidarity with the suffering abroad cultivates a spirit of support and inclusivity.

We truly appreciate this effort. Please feel free to reach out for any additional questions or concerns.

Sincerely,

Henry Hane  
Executive Director  
Islamic Center of Greater Cincinnati
