Hobby of Yours!

I like to play and watch soccer. I also like working out at the gym, riding my bike, and swimming

Fun Fact About You - I go on a bike ride every day!

Favorite 2022 Memory

My favorite memory was the last ten nights of Ramadan. Lots of people would stay at the masjid overnight and eat at the suhur tent. The youth would also recite Quran in the masjid, and pray together

Favorite Youth Board Event

My favorite youth board event was the cultural iftar. Lots of people came and celebrated their cultures, played fun games, and broke our fasts with amazing food. And afterwards we all went to Traweeh.

Goal for the Youth Group

Inshallah the youth group will be able to have many events in the summer for the youth to socialize and have fun with the masjid want to make sure everyone has a wonderful and memorable time here for the rest of summer!
