

DISABILITY DOES NOT MEAN INABILITY

Building a better future for people of all abilities!

Please join us for dinner and an inspirational session led by Joohi Tahir, Executive Director of MUHSEN (Muslims Understanding & Helping Special Education Needs) is a nonprofit organization for Muslim Americans with disabilities and their families.

MUHSEN's mission is to advocate, educate, train, and implement programs and services nationwide to improve access to masjids for individuals with special needs as well as acceptance and inclusion by the community in all aspects.
