### In Case You Forgot

inpairs Masjid is the first to bring together a national network of masajid to help you get married. **Over 30 of the largest masajid across the US have joined this initiative**, include our own. The Muslim marriage crisis is only getting worse, and we are proud to be apart of this solution.

### Why inpairs Masjid is Different

☒ **Confidential & Secure Matching**

Your privacy is **paramount**. Only those you're thoughtfully matched with will have access to your profile.

☒ **Join a Nationwide Community**

Join a growing network of Muslims across the country of over 2000 users - **all joining just since launch on December 1**. You're not connected to just our community, but masjid goers from across the US.

☒ **A New Standard in Matchmaking**

With **badge verification, confidential matching, and AI-driven pairings**, inpairs Masjid combines modern technology with Islamic values to create a thoughtful, secure, and effective way to find your match.

### Take the Next Step Today

Join now while the offer is still active. **You only have until the end of the month.**
