

# Morocco Relief Aid Drive

## Show Your Support For Morocco Earthquake Victims

We are collecting essential relief aid, including shelter materials, winter gear and medical supplies to support the affected communities in remote mountain villages in the Atlas Mountains. Your generous donations will help make a real impact in the lives of those struggling to rebuild. Together, we can bring hope and relief to those in distress.

Every contribution counts!

### Donation Drop off

Please ship donations to ICGC from the Amazon Wishlist or drop them off in the wooden box

8092 Plantation Drive,  
West Chester, OH 45069
