

Headline: BNE Contractors Inc. Acquires Tri Con Haid Concrete Finishing Ltd. And Changes Company Name To BNE Concrete Floors & Coatings

October 2021, Waterloo Region — BNE Contractors Inc., located in Cambridge, Ontario has recently acquired Tri Con Haid Concrete Finishing Ltd. and renamed their company BNE Concrete Floors & Coatings.

For the past 30 years, BNE Contractors Inc. have served the Ontario market and beyond in the sourcing and installation of epoxy and polished concrete flooring for construction projects, primarily in the industrial, commercial and institutional sectors.

Tri Con Haid Concrete Finishing Ltd. are a concrete finishing company, specializing in placing and finishing of high tolerance concrete floors. They are a member of the GVCA (Grand Valley Construction Association) and CFCA (Concrete Floor Construction Association), and have received numerous awards, including three Golden Trowel awards, for their quality workmanship since 1995.

BNE Contractors Inc. have joined forces with Tri Con Haid Concrete Finishing Ltd. and now offer a “one-stop-shop” experience for their customers, adding cement finishing to their expanded list of services.

Chris Henderson, President of BNE Concrete Floors & Coatings stated, “This partnership allows us to scale our business while also offering our customers more support, product variety and a cohesive experience from project start to finish. We look forward to growing alongside each other and better serving our dedicated customer base.”
