NOTES:

The fire has caused extensive damage to the Grizzly Flats Community Services District (CSD) water system. Grizzly Flats CSD is working diligently to make repairs. Customers should be prepared to bring potable water for all water needs. The Grizzly Flats CSD is working with the El Dorado County Office of Emergency Services and the American Red Cross to provide a limited amount of bottled water to those customers. Residual, standing water in pipelines is not safe for use and should be flushed out. For more information contact the Grizzly Flats CSD

Repopulation consists of complex coordination between fire, law enforcement, public works, and utilities to ensure the safety of residents and fire responders alike.

The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation orders and warnings. A reminder to drive slowly and yield to emergency personnel in the area. There will be smoke in the respective areas as firefighters continue firefighting operations. If at any time you feel unsafe, please call 911. For tips on returning home after wildfire visit: [Returning Home Checklist - Ready for Wildfire](#)
