

PARTNER NEWSLETTER FEBRUARY 2026

Saskatchewan Crime Stoppers

Saskatchewan Crime Stoppers is a non-profit organization proud to be operating for over 39 years in Saskatchewan with a mandate of reducing crime and ensuring safety in our communities. Tips received are sent to law enforcement agencies to investigate and solve crime with the safety of those reporting the information protected by ensuring all contact remains anonymous. Anyone providing information that results in an arrest or charge may be eligible for cash rewards of up to **\$2000**.

The success of the program is a testament to the trust and support received from the public, the media, and our partners and these efforts are making a difference in Saskatchewan being a safe place to live, work, and raise a family. As we continue our mission to combat crime, we want to share some messaging with our partners to highlight program activities and statistics from the past year.

Program Activities

Saskatchewan Crime Stoppers was busy with community outreach through the 2025 year with Coordinator Sgt. James (Jim) Flynn attending 22 meetings and presentations, 15 community events and 7 Trade Shows with a collective estimate of over 30,000 people in attendance where Saskatchewan Crime Stoppers was present. Highlighted events include both SARM and SUMA Conventions, WHL hockey games, AG in Motion, Parkland Outdoor Show and Expo, Pow Wows at 3 First Nations, Cram the Cruiser night in in both Saskatoon and Yorkton, and Community, Municipal, and First Nations presentations to share the benefits of the program and what can be done to promote safety in the community.

The program continues to have a successful social media presence with unsolved crimes posted to our website and a following of over **58,000** to the program's Facebook page with a solve rate of approximately half of all crimes that are posted to the page.
