

## **First Tee Virtual Golf Tournament In Partnership with Troon**

The First Tee Virtual Golf Tournament is back, October 25-31, on all four courses in St. James Plantation. **We are offering 2 Scoring Flights** this time due to popular demand! All you have to do is request/book a tee time on Chelsea with your foursome as you would normally or use an existing request. Winners in both flights and raffle prizes will be announced via Youtube link on November 2. Most important, the tournament proceeds will benefit First Tee of Coastal Carolinas! Your support will help keep our youth development programs in place, as we adapt to the new normal, and continue to provide safe programs for our participants. First Tee is proud to partner with Troon on this event and we encourage all St. James members to enter the tournament. Here are the details:

- **Members request a tee time with your regular golf buddies/gals/couples groups any time, any course from October 25-31 through Chelsea, just like you are currently doing. You can also use an existing request that you've already made for that week. There are no sign-ups through the pro-shops.**
- **When you receive your tee time, donate \$25 (\$100 per team), checks payable to First Tee of Coastal Carolinas. Drop off check in box on porch of Judy Cuppernull (3499 Haskell Lane), Russ Yarrow (4114 Brookfield Way), or Jim Belvin (3726 Winstead Circle) no later than Friday, October 23.**
