### **Museum and Planetarium Seeking Volunteers**

Ocean Isle Beach, NC – The Ocean Isle Museum Foundation looks forward to this holiday season when we hope to see families and guests visit the Museum of Coastal Carolina in Ocean Isle Beach and Ingram Planetarium in Sunset Beach. To help us through the holiday season, the Foundation is seeking volunteers at both facilities to help run our front desks, greet our visitors, provide customer service in our gift shops, help monitor the Museum's Touch Tank area, and other activities.

Volunteers not only supervise visitors and answer questions about the exhibits; they are also encouraged to take part in our educational programs. While we welcome volunteers of all ages, we also invite college students, especially those interested in natural science or astronomy, to apply to become volunteers.

All volunteers receive training and a staff member is always on duty to help. Volunteers may sign up for as few or as many hours as they wish and for whatever days they wish. Flexible hours, amazing coworkers, and interacting with the public in a fun and educational way make volunteering an appealing opportunity.

If you are interested in exploring volunteer opportunities at the Museum and/or Planetarium, call the Museum at (910) 579-1016 or send an email to [vol.cord@MuseumPlanetarium.org](mailto:vol.cord@MuseumPlanetarium.org).

The Museum of Coastal Carolina is located at 21 East Second Street in Ocean Isle Beach, NC. Ingram Planetarium is located at 7625 High Market Street in Sunset Beach, NC. Admission is free for members, active duty military and disabled veterans plus up to one guest (must include military ID cardholder). Non-member all-day admission at the Museum or per show admission at Ingram Planetarium is \$9.50 for adults, \$8.50 for seniors, \$7.50 for children (3-12) and free for age 2 and under.
