

The **St. James Bikers 2020 season** is fast approaching so here is the full schedule. Although rides are subject to change, this is our best shot at laying out the dates and locations.

Island Bicycles on 4324 Long Beach Road will accompany us again on rides to assist with adjustments or repairs. They also have a special promotion for St. James riders. Tune ups \$59 vs \$79 for non-residents. Come in the week prior to any group ride and a safety check for residents will be \$15 vs the regular \$35 rate. Please mention you're a St. James resident and these discounts will apply.
