Red Cross

Phone: 1-800-863-6582

Website: <http://www.redcross.ca/>

Twitter: @RedCrossBC

Registration for those impacted: <http://www.redcross.ca/how-we-help/current-emergency-responses/british-columbia-fires>

My area is under evacuation alert not evacuation order, should I register?

The Red Cross is here to help everyone who has been impacted by the wildfires. This means, even those who have to evacuate without receiving a government-issued evacuation order. (e.g. people who have evacuated because of an evacuation alert or because of health concerns).

Why register?

Registering with the Red Cross will help make sure people are safe and accounted for, will allow families to reunite that may become separated, and will mean the Red Cross is able to reach evacuees with important information and assistance.

BC Mental Health Support Line

Phone: 310-6789

(Do not add 604, 778 or 250 before the number). This number will connect you to your local BC crisis line without a wait or busy signal, 24 hours a day. Crisis line workers are trained to help provide emotional support as well as mental health information and resources.

HealthLink BC

For general information about smoke and your health, contact HealthLink BC available toll free, 24 hours a day, 7 days a week at 8-1-1.

If the public wants to know the Air Quality Health Index for their region, log on to www.bcairquality.ca

Utilities

BC Hydro

Phone: 1-800-BC-HYDRO (1-800-224-9376)

Website: <https://www.bchydro.com>

BC Hydro is working with local authorities to identify residential and commercial customers located in evacuation areas and will apply an automatic credit to their account for the electricity consumed during the period they are out of their home due to evacuation order.

In addition to providing this credit, BC Hydro will work with those customers who have been evacuated or placed on evacuation alert to defer bill payments, waive late payment charges and set-up a flexible payment plan. Customers are encouraged to call BC Hydro's customer team at 1 800 BCHYDRO (1 800 224 9376) for more information.

FortisBC

Website: <https://www.fortisbc.com>

Natural Gas

Natural Gas Emergencies 1-800-663-9911

For relighting gas appliances: 1-877-711-8877

Billing & Inquiries 1-888-224-2710

Electricity

Electricity Emergencies or Power Outages 1-866-436-7847

Billing & Inquiries 1-866-436-7847

Service interruptions

If fire or emergency officials request FortisBC to do so, we will turn off the utility service as a precautionary measure, or if there is an immediate threat to FortisBC infrastructure.

If our system is damaged, once fire or emergency officials confirm the situation is safe, FortisBC will assess the system in the affected area, repair any infrastructure damage and reactivate the affected system.

We will visit each impacted natural gas customer to relight all affected appliances and restore gas service at the meter, if required. If you are not at home, a FortisBC technician will leave a door tag that provides contact information. Call 1-877-711-8877 for relights.

Telus

Website: <http://business.telus.com/en/business/bc>

Business Mobility Services

1-866-558-2273

Business ADSL Internet & Phone Services
1-800-361-3311

<http://www2.gov.bc.ca/gov/content/safety/emergency-preparedness-response-recovery/emergency-management-bc/flood-protection-and-planning/national-disaster-mitigation-program>

Canada Revenue Agency (CRA)

The Government of Canada offers tax relief to Canadians affected by wildfires in British Columbia. This includes:

- cancel or waive penalties or interest
- accept certain late, amended, or revoked elections (**income tax only**)
- Additional business assistance may be available

CRA will be making more information available shortly but for now you can check the following website. <http://www.cra-arc.gc.ca/gncy/cmplntdspts/txpyrrlf-eng.html>. You are also encouraged to call 1-800-959-5525 and press * to talk to an agent.

Banking Information

BMO

Phone: 1-844-837-9228

Website: <https://www.bmo.com/main/business>

Supporting impacted customers needing help with short-term deferral payment options, special accommodations and other assistance. Customers are encouraged to visit any branch or contact BMO for more information. Small business and commercial clients are also encouraged to contact their BMO account manager regarding special accommodations.

CIBC

Phone: 1-877-454-9030

Website: <https://www.cibc.com/en/small-business.html>

HSBC

Phone: 1-866-808-4722 (Business Banking)

Website: <http://www.business.hsbc.ca/en-ca>

Working with impacted customers to meet their financial services needs in the days and months to come.

Interior Savings Credit Union

Phone: 1-855-220-2580

Website: <https://interiorsavings.com/>

July 14th: Ashcroft branch & insurance agent closed due to wildfire.

RBC

Phone: 1-800-769-2511

Website: <http://www.rbcroyalbank.com/business-select.html>

Offering special financial considerations and assistance to our clients during this challenging time.

Valley First

Website: <https://www.valleyfirst.com/Business/>

Insurance

Insurance Bureau of Canada (IBC)

Phone: 1-844-2ASK-IBC or askibcwest@ibc.ca

Website: <http://www.ibt.ca/bc/business>

*July 14th: IBC has deployed its **Community Assistance Mobile Pavilion (CAMP)** to the Kamloops region. IBC staff will answer insurance-related questions and help affected residents get in touch with their insurance representative to begin the claims process.*

Old Main Building of Thompson Rivers University 900 McGill Rd, Kamloops, BC V2C 0C8

ICBC

Phone: 1-800-663-3051

ICBC wants customers to know that it has established a special claims service team to expedite and review each fire related claim. The team is focused on helping those affected and will determine circumstances where customers' deductibles and insurance discount impacts will be waived.

For customers with claims:

- A dedicated team at ICBC is handling insurance claims related to a fire on a priority basis. To make a claim, you can file online at icbc.com or call ICBC's Dial-a-Claim at 1-800-910-4222, which is open 24 hours a day, 7 days a week.
- You will not need to pay a deductible if your insurance claim is for vehicle damage sustained as a result of being required to use a non-traditional roadway (e.g. forest service roads) to evacuate. The claim will also have no impact on your insurance discount.
- There are many variables involved in fire related claims and the deductibles and insurance discounts will be reviewed on an individual basis for all fire claims.

Purchasing or renewing insurance:

- Customers who are on evacuation alert can renew their insurance; but it's not possible to add new comprehensive or specified perils insurance coverage. It's important not to let your coverage expire – check your policy and remember you can renew your policy up to 55 days in advance of the expiration date.
- Impacted customers who are unable to visit/call an Autoplan broker for their insurance renewal or questions, should contact our customer service contact centre at 1-800-663-3051.
- Customers may purchase a temporary operating permit to move an uninsured vehicle to safety. Once out of the evacuation zone, comprehensive or specified perils may be purchased for your vehicle.
- ICBC customers who have purchased a storage policy or comprehensive or specified perils coverage from ICBC, can be rest assured that their vehicles will be covered in the event of damage from a fire.

Renewing a driver's licence or road test bookings:

- Impacted customers who need to renew or replace their drivers licence can contact the driver licensing contact centre at 1-800-950-1498 for assistance.

- Road testing in the affected locations have been cancelled. Once normal operations resume, all cancelled road tests will be re-booked on a priority.

For all other customers in affected areas:

- Call your Autoplan broker and our other service providers before you visit them to make sure they are open.
- Visit ICBC's [locator](#) or call before visiting any of our offices.
- ICBC's customer service contact centre is available to answer questions at 1-800-663-3051.
- If you're placed on an evacuation alert, pack all essential ID and documents in preparation for an evacuation. These documents include your B.C. driver's licence, B.C. identification card, B.C. Services Card, passport, original birth certificate, marriage certificate and Canadian citizenship documentation. It's also a good idea to have a copy of your vehicle registration and Autoplan insurance policy.

RBC Insurance

Phone: 1-800-769-2526

Insurance clients with questions or concerns about their policy or claim, or to file a claim, are encouraged to call.

Employee Assistance

Employment Assistance (EI)

The Government of Canada is committed to helping those employees impacted. Impacted workers are encouraged to apply as soon as possible for Employment Insurance. No ROE is required at this time.

Additional information can be found at <https://www.canada.ca/en/employment-social-development/corporate/portfolio/service-canada/wildfires-british-columbia.html>

WorkBC

We encourage you to reach out to your employees during the time of evacuation. Employees needing assistance are encouraged to reach out to local Work BC offices located around the Province. <https://www.workbc.ca/>

Employee Needs Following a Major Disaster

Consider the following issues that may arise for your employees in their ability to resume working:

- Need for alternative modes of transportation
- Provision of emergency housing
- Short-term financial aid for immediate needs
- Childcare facilities

- Payroll continuity is key

Resources by Sector

Tourism

Prepared BC: Tourism Resources: <http://www.destinationbc.ca/BC-Tourism-Industry/PreparedBC.aspx>

What business owners can do:

- Share these resources with your staff and follow key social media accounts for the latest news.
- Help your guests:

- If your business is located in an impacted area, provide your current customers and future reservations with regular updates by directing them to official information sources.
- If your business is not impacted directly, help your current guests plan the rest of their trip to areas that are safe and open for business (your local visitor centre has a wealth of information on places to stay and things to do).
- If your business is not impacted directly, be proactive with future reservations—let your customers know it's business as usual and you are looking forward to hosting them. British Columbia is a very large province and sometimes our out-of-province guests can get confused by geographically misleading information.
