Subject: FIRE- Extension for counties affected by the fire for the CFA

Attention: Executive Directors and Program Directors of Current ELCD Contractors

The CDE, ELCD wants to thank you for all you do to serve California's young children, their families, and communities and to acknowledge the heartbreaking destruction the recent tragic wildfires in California have caused.

For agencies affected by recent fires, the ELCD will be extending the due date to **Thursday, November 29, 2018**, for the fiscal year (FY) 2019–20 Continued Funding Applications (CFA).

Note: This extension is *only* for those counties who have been affected by the fires. If you are interested in applying for this funding and need an extension, please reach out to the assigned regional consultant to inform them of your extension request. The ELCD must receive your request in order to grant your agency an extension.

You can locate the contact information for your assigned regional Field Services Consultant on the ELCD Consultants Regional Assignments web page at <https://www.cde.ca.gov/sp/cd/ci/assignments.asp> or by phone at 916-322-6233.
