

# CREDO

## RECOVERY

*Experience Peace  
and New Life*

YOU WERE NEVER  
CREATED TO LIVE  
DEPRESSED,  
DEFEATED,  
GUILTY,  
CONDEMNED,  
ASHAMED  
OR UNWORTHY.  
YOU WERE  
CREATED TO  
BE VICTORIOUS.

# MIDDLE ISLAND CREDO RECOVERY

Isn't it amazing that somethings that are really good for us can actually hurt us, while other things that make us feel good can actually be doing us in? Maybe people in your life are concerned the latter is describing you. It could be time to face that question, but why do it alone? We are M. I. Credo Recovery. Our weekly meetings provide a forum for open sharing, heartfelt understanding, support and direction in recovery. The leaders of this meeting are in recovery and have a true understanding of the struggles that you may be experiencing.

It can be very difficult to begin this journey without the support that is needed. The world can make our recovery battle into an outright war. This is a battle that much of the world cannot understand. We believe that the fellowship of like-minded individuals, coupled with the incomparable healing power of our Lord can work together to bring deliverance from the strongest bondage.

MI Credo Recovery is a Christian, non-denominational outreach. We are committed to the tenets of healing, forgiveness, and reliance on Jesus Christ. Credo Recovery supports deliverance from any stronghold of addiction, and the weekend retreats welcome anyone suffering from any number of life controlling issues. Middle Island recovery meetings, however, are limited (for now) to the body of those who have issues with drugs and/or alcohol.

Meetings are held at City on a Hill Community Church, 629 Middle Country Road, Middle Island, every Monday evening at 6:30 p.m. The first three meetings each month are considered "Closed Meetings"; open only to those suffering from addiction. The 4th Monday of the month will be considered an "Open Meeting" and is held for anyone who is struggling with addiction, either personally or through a relationship with an affected individual.

It is our hope that if you or someone you know has been searching for a place where you can begin the recovery process, further the recovery process, and deepen your commitment to Christ and the life of sobriety and vigilance that He calls us to, you will find this meeting just that place. Please join us; we look forward to meeting you.

*You are not alone  
I am here with you.*

*Hebrews 13:5*
