'BALLISTIC MISSILE THREAT INBOUND TO HAWAII,' the alert screamed. It was a false alarm.

January 13

Shortly after 8 a.m. local time Saturday, scores of Hawaii residents received an emergency cellphone alert with an alarming message: "BALLISTIC MISSILE THREAT INBOUND TO HAWAII. SEEK IMMEDIATE SHELTER. THIS IS NOT A DRILL."

The message, reportedly sent by the Hawaii Emergency Management Agency in error, would turn out to be a false alarm, officials said. Nevertheless, it would take 38 minutes for authorities to clear up the mistake with a follow-up alert.

The time in between sparked a brief panic in a state where fears of an attack by North Korea have heightened in recent months. Residents and tourists reported seeking shelter, frantically

From the tribe of Issachar, there were 200 leaders of the tribe with their relatives. All these men understood the signs of the times and knew the best course for Israel to take.

1st Chronicles 12:32

And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light.

"No scholar of academic substance denies that Jesus lived almost 2000 years ago. And yet we find three times as many prophecies in the Bible relating to His Second Coming as to His first. Thus the Second Advent of our Lord is three times as certain as His first coming, which can be verified as historical fact."

"The Jew, your majesty."

"In every generation, there were those who rose up to destroy our people. In antiquity, we faced destruction from the ancient empires of Babylon and Rome. In the Middle Ages, we faced inquisition and expulsion. And in modern times, we faced pogroms and the Holocaust. Yet the Jewish people persevered. And now another regime has arisen, swearing to destroy Israel. That regime would be wise to consider this: I stand here today representing Israel, a country 67 years young, but the nation-state of a people nearly 4,000 years old.

Yet the empires of Babylon and Rome are not represented in this hall of nations. Neither is the Thousand Year Reich. Those seemingly invincible empires are long gone. But Israel lives. The people of Israel live."

Leadership of the Temple Mount Faithful

Gershon Salomon is the founder and leader of the Temple Mount and Land of Israel Faithful Movement. In his private life, Gershon is an expert researcher and lecturer in Middle Eastern studies, specializing in the history of the national movement of the Kurdish people. He is also an officer in the Israel Defense Force (IDF). Gershon is a 10th generation Jerusalemite, descended from Rabbi Avraham Solomon Zalman Zoref who settled in Jerusalem in 1811. Rabbi Zoref was the first Jewish pioneer in Jerusalem to start the redemptive process of the people and the land by rebuilding the desolated land. He even sent out one of his sons to locate the ten lost tribes to bring them back to the Land of Israel because he knew the return of the ten tribes was a condition for the redemptive process. Rabbi Zoref was assassinated by Arabs who thought they could stop this godly process.

Isaiah 66:15

The word of the Lord came to me: ² "Son of man, set your face against Gog, of the land of Magog, the chief prince of Rosh, Meshek and Tubal; prophesy against him ³ and say: 'This is what the Sovereign Lord says: I am against you, Gog, chief prince of Meshek and Tubal. ⁴ I will turn you around, put hooks in your jaws and bring you out with your whole army—your horses, your horsemen fully armed, and a great horde with large and small shields, all of them brandishing their swords.

⁵ Persia, Cush and Put will be with them, all with shields and helmets, ⁶ also Gomer with all its troops, and Beth Togarmah from the far north with all its troops—the many nations with you. "Prepare yourself and be ready, you and all your companies that are gathered about you; and be a guard for them. ⁸ After many days you will be visited. In the latter years you will come into the land of those brought back from the sword and gathered from many people on the mountains of Israel, which had long been desolate; they were brought out of the nations, and now all of them dwell safely.

SITUATION ROOM

A big oil deposit has been found in the Israeli-occupied Golan Heights, with enough reserves to last Israel for decades, according to the country's media.

The Israeli presence in the Golan Heights is in dispute. The region is internationally recognized Syrian territory that has been occupied by Israel since the 1967 Six-Day War between Israel and several Arab states. UN Resolution 242 (1967) demands the withdrawal of Israeli armed forces from the territories occupied in the conflict. Israel disagrees with the wording of the resolution, saying the territories are disputable.

Reportedly, the potential production may reach billions of barrels, while Israel consumes 270,000 barrels per day. Israel currently imports up to three quarters of its oil from the semi-autonomous Kurdish region in Iraq, the Financial Times reported in August.

"We are talking about a strata which is 350 meters thick and what is important is the thickness and the porosity. On average in the world strata are 20-30 meters thick, so this is ten times as large as that, so we are talking about significant quantities. The
