ADVENTURE TOGETHER

Adventure Guides | Voyagers 2026-27 TORRANCE-SOUTH BAY YMCA

If you are a father who wants to spend quality time with your kids then Voyagers is the program for you!

Voyagers is a year long program that takes place during the school year for kids in grades TK-2nd and their fathers. This program is a wonderful opportunity to build, strengthen, and nurture healthy relationships between dads and their kids through challenging and fun events while making connections with other community members who are doing the same.

This program serves Hermosa Beach, Manhattan Beach, Redondo Beach, and Torrance areas.
