Sweet's Corners School has a delicious fundraiser!

Ridgway Confections is grateful for the opportunity to support two meaningful school fundraisers this year.

At Sweets Corners Elementary School (SCES), the School Council works hard each year to bring enriching experiences to students. In 2025, their efforts brought illustrator Aimé Talbot into the school for a drawing workshop, as well as a visit from Frisbee Rob, who inspired students through lessons on physical literacy, resilience, and teamwork. We're humbled to play a small part in this year's fundraiser, helping the school continue offering similar opportunities for the 2025-26 year. Your support directly helps create these memorable learning moments for students.

We're also proud to support Rideau Vista's special chocolate bar fundraiser. The students themselves created both the bar and the label—something truly unique and full of heart. Proceeds from this project will be donated to the Westport Food Bank, providing essential help to families in the community. We're honoured to assist behind the scenes in bringing the students' vision to life.

Thank you for supporting these initiatives. As a local business, we feel privileged to stand beside our schools and community, and we appreciate everyone who helps make these fundraisers a success.

Both fundraisers are available on our website until December 10th at:
