

**G.E. MARSHALL INC.**  
**Valparaiso, Indiana**

[G.E. Marshall, Inc.](#) – with headquarters in Valparaiso, Indiana – is a South Shore Clean Cities Platinum Member.

Since 1960, the company has built a tradition of excellence in site work. Their experience in delivering topnotch service in excavation, grading, underground utilities, demolition and more has proven them to be a leading contractor in Indiana and surrounding states.

Nearly six decades of experience give G.E. Marshall a competitive advantage in understanding the particular needs of their client's project. With an extensive lineup of equipment and trucks, experienced personnel and an operation that works year-round, G.E. Marshall consistently completes quality projects on time and within budget.

From start to finish, G.E. Marshall takes pride their commitment to safety, project knowledge and schedule.

G.E. Marshall has experienced a tremendous amount of growth and change over the years, including a wider range of clients and projects and expanding their reach into Illinois and Michigan.

Still, the values of hard work and high quality that were instilled by their founder, Glen E. Marshall, remain today. G.E. Marshall's clients regularly describe them as knowledgeable, dependable and attentive.

In their work and on their jobsites, decades of solid expertise and proven quality work continue to be reflected.
