### Audience:

More than 300 of Northern Indiana's decision makers, industry leaders, clean fuel providers, vehicle & technology manufacturers, clean energy companies and more.

Don't miss the 2017 South Shore Clean Cities Annual Meeting and Awards, where Northern Indiana's clean fuel, clean vehicle, clean energy and clean technology leaders will be recognized for their efforts and contributions toward a cleaner environment for our region.

Network with industry leaders over lunch and at vendor booths to learn how their products can make your operations greener while adding green to your budget. Collaborate with elected officials making decisions about the future of the industry. Learn how South Shore Clean Cities can help your operations become more efficient and save money.

**NEW THIS YEAR:** Learn how the \$39 million Indiana is poised to receive from the Volkswagen diesel emissions settlement will create opportunities for funding clean fuel, clean vehicle, clean energy and clean technology projects throughout the state. Don't miss this opportunity to learn how your company, organization or municipality could benefit from the funds.
