

USGBC NWI Teacher's Open House

WHAT:

Please join us for an evening of learning how to incorporate a LEED Curriculum through exciting hands on learning on how to be more "Green" in our lives. Each teacher that attends will have the opportunity to schedule a Granite Pals presentation for their students and go home with a personal item from the Stone and Pallet Workshop.

WHEN:

Thursday, November 9, 2017

4PM - 8PM

There will be two sessions starting at 4pm & 6pm.

Granite Pals are hand-crafted from 100% recycled granite and no two will ever be the same. Each Granite Pals is over 500,000,000 years old and has it's own individual personality. These Eco-smart toys are 100% natural "chemical-free" stone. Perfect for Fairy Gardens and hours of creative fun and enjoyment. You'll also receive a "Quick Facts" lesson plan to learn about Recycling, Geology and Creativity all at the same time...while having FUN!
