

THIS CLINIC FOLLOWS **5** SAFE & EFFECTIVE HEALTH PROTOCOLS

1

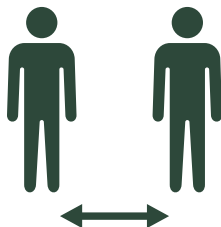

Face Coverings. Doctors and clinic staff wear masks at all times. Masks are provided for patients.

2

Health Assessments are done daily amongst staff; no patient bookings are accepted without an evaluation prior.

3

Good Hygiene Doctors and staff conduct hand washing and social distancing.

4

Clean and Sanitize This clinic follows the BC Centres for Disease Control Environmental Cleaning and Disinfectant procedures.

5

Capacity Limits

This clinic operates at a maximum of less than 50% of the fire code capacity.

No-contact door drops for product are available, touchless payment, and access for patients with appointments only.

This clinic supports community efforts to control the spread of the virus
