

Here's what being a Cast Mom entails:

The Cast Mom Committee is a group of 30 to 40 moms who work in teams of two or three.

Each team is assigned to a group of students (the models), whom the Cast Mom team then "shepherds" from the 1st practice in January to the day of the show, Friday, April 8th. (see the schedule below)

As a Cast Mom, you'll be the liaison between the students and everyone else involved in the show. You'll communicate with the students to remind them of practices, and you will attend their practices, all on Sundays on the XCP campus.

You'll be with your group backstage the day of the show, guiding and supporting, and most of all having fun!

Fashion Show Rehearsal Schedule

(times and details to be shared at a later date)
