HYGIENE KITS

Impact

Help provide individuals experiencing homelessness with basic hygiene necessities. Your kits will be distributed to SVdP guests in the Dining Rooms and through our Water Truck's street outreach. You can supply your neighbors living on the streets with much-needed supplies and help them take the next step to receiving assistance. Learn about [SVdP's Street Outreach](#) and watch [DD's Story](#) to see the impact your kit will have on an individual in the community.
