Give the gift of books this season by helping the Loutit District Library's permanent collection grow. Purchase a book from one of the designated wish lists, and it will be automatically donated to the library for the community to enjoy!

Two ways to participate:

1. Visit The Bookman from November 21 through December 24 to browse their designated display for this program. The Bookman will then deliver your purchase directly to the library. Support a local bookstore and the library at the same time!
2. Prefer an online option? The library maintains an online Wish List at Amazon throughout the year. Instructions to purchase through our wish list can be found on our website at <https://www.loutitlibrary.org/adopt-a-book-2025/>

"Our Adopt-a-Book program is a wonderful way to support a local bookstore and the library at the same time! Last year, for our 20<sup>th</sup> anniversary, we had a record-breaking 173 books adopted. The even more amazing news is that this year we've already reached that number! This year's wish list also included some fun, "non-book" items like puppets for Youth Storytimes and vinyl records," said Chelsea Payton, Community Engagement and Marketing Manager for the Loutit District Library. "Words cannot express how thankful we are to this amazing community for their support of this program every year."
