

Certificate Programs

Earn an accredited business certificate through SOAR™—Cornerstone University's innovative, 100% mobile smartphone app. Earn one of six certificates today, and stack your credits toward a bachelor's or master's degree!

- ▶ Each certificate consists of 3 courses which are completed in a **17-week term**, allowing you to **enroll year-round**.
- ▶ All certificates consist of college-level coursework (undergrad or graduate).
- ▶ Undergraduate certificates contain courses that apply directly toward a B.S. in Strategic Business Management, allowing students to **stack certificate coursework into a degree** through SOAR™.
- ▶ Graduate certificates are designed for students who have already earned a bachelor's degree. Admission requires verification of an earned undergraduate degree through the submission of official transcripts.
- ▶ Certificate programs are not eligible for federal financial aid; however, **you may qualify for partner scholarships to help offset costs**.
