

Community Shred Day

Safety and security remain a top priority at Lake Trust. To help our community stay safe, you're invited to stop by our free Community Shred Day. A Shred-it® truck will be on-site so you can securely destroy old documents containing financial, personal, or sensitive information. You'll help the planet too, as all shredded paper from the event will be recycled.

No appointment needed. Stop by any time during the event!

You can shred:

Documents with sensitive information

Old photos

Unused shipping labels

Other paper materials
