

🏈💙 The first football game of the Tri-Cities season is almost here! 💙🏈

On **August 27**, the rivalry begins as the **Grand Haven Buccaneers** take on **Spring Lake Lakers**, but this game is about more than football—it's about supporting families facing cancer.

This year's game will highlight **Bluebird Cancer Retreats**, our 501(c)(3) nonprofit partner. Together with Grand Haven Athletics and Spring Lake Athletics, we're raising funds to support **Bluebird Family Camp**—a weekend retreat where families experiencing cancer can step away from treatments and appointments to simply have fun and make lasting memories.

It costs **\$20,000** to sponsor one Family Camp weekend, and we're asking our communities to help us reach that goal!

💙 Join the Flocking Fundraiser! 💙

For just **\$10**, you can "flock" your yard with a Bluebird Family Camp sign and proudly support either **Grand Haven** or **Spring Lake**. Which community will sell the most signs and earn bragging rights before kickoff?

Every sign purchased helps send families to Bluebird Family Camp.

If you'd like to help sell signs or get involved, please contact **Marcie Lynch** at tlynch3315@charter.net.

Let's fill our neighborhoods with bluebirds, spark some friendly competition, and make a meaningful difference for families facing cancer.

Let the flocking begin! 🐦💙🏈
