

## **Application for 2026 Technology Award**

Thanks to RATIONAL, we are pleased to announce that the 2026 Technology Award will be offered to individuals/culinary programs that demonstrate a practical technical application in the teaching kitchens.

This Award is sponsored by RATIONAL who is proud to reach out to educators and to recognize their efforts instructing students at the exciting intersection of technology, culinary arts and sciences.

The Award is \$1,000 and a trip to the Three-day Foodservice Technology Workshop at RATIONAL's Culinary Experience Center in Rolling Meadows, IL. Airfare, lodging, ground transportation from O'Hare and meals during the workshop are provided. Must be an active Culinary Educator at Secondary or post-Secondary school. The winner will also be given a complimentary registration to the CAFÉ Leadership Conference in June 2026 in Chicago Illinois.

What are your efforts and successes in this area?

Award Guidelines:

- Open to individuals and all culinary programs.
- Open to all secondary and post-secondary schools.
- Entries judged in the areas of quality of design, applicability, replicability, impact upon the college and community, and thoughtful innovation in practice and technique.
- Applications should include examples of how you are utilizing technology in the kitchen as part of your preparation of food.
- Past winners may reapply each year for new initiatives or awards.

Application should include:

- Contact information, including name, address, school, email, and phone. (See the Application Cover Sheet provided).
- Description of accomplishment(s)
- Documentation illustrating the effort.
- Measurement of the success of this idea/initiative/effort

- Written permission with these materials that CAFÉ may use any of the information submitted in publicity about the award.

Deadline to submit is April 1, 2026. Winner will be notified in writing no later than May 1, 2026.

To apply, send your electronic application with cover sheet and supporting documents to [marygpetersen@comcast.net](mailto:marygpetersen@comcast.net). Please put 2026 Technology Award Application in the subject line.

Any questions, contact Mary Petersen at [marygpetersen@comcast.net](mailto:marygpetersen@comcast.net)
