Virtual Workshop*

LEADERSHIP DURING A CRISIS

**A Critical Incident
Preparation & Response
Leadership Training by the
National Police Foundation**

The National Police Foundation, with funding from the Motorola Solutions Foundation, will host a one-day virtual training for public safety and first responder leaders on preparing for and responding to critical incidents. Based on lessons learned from past responses to incidents of mass violence, this training will prepare leaders to equip their agencies and departments with the resources and strategies to respond quickly and effectively when confronted with crisis situations.
