

BE A LIGHT

PLEASE JOIN US IN OUR VIRTUAL RACE ACROSS AMERICA!!!

Today's world is full of so much divisiveness, fear, uncertainty and darkness we decided to take a moment to PAUSE for a great unified cause and ask people across America to join us in a Virtual Race. Our goal is to have runners from every state in the US running and spreading the message – BE A LIGHT!

As Community Action Agencies it is our mission to help people in need in our communities. Right now the need is greater than ever. All proceeds will be used for COVID Relief in our Communities or in yours!!!!

We are challenging each Community Action Agency across the United States to sign up as many people from their state as possible and in turn we will be splitting all proceeds coming in from that state with that state's Community Action State Agency to be used for COVID Relief in their State.

The first person to register from each State will be free and will receive a free T-Shirt
