

WHEELS TO WORK

Robeson County is the largest county by size in NC and has very few public or private transportation options. Transportation is an essential service for all residents. Join us to explore options to improve local transportation.

THINK TANK FORMING

Join community colleagues and transportation experts in brainstorming options and solutions for local transportation issues.

YOUR INPUT IS VALUED

Set policy and action agenda by attending the upcoming launch meeting of Wheels to Work task force.

STATE-LEVEL SUPPORT

In addition to community leaders, NC Community Action and the NC Office of Economic Opportunities are supporting this initiative.

OPTIONS TO CONSIDER:

- Low-cost car repair program
- Car donation program
- Van ride system expansion

Your suggestions are key to success!
