

Community Health Fair Recap

Last month NCCAA kicked off a successful Community Health Fair in Enfield, NC. It was the first in a series of health events in the area. More than 50 local community members came together and were able to speak with organizations in the Halifax county region to learn about health-related services. This event also gave vendors an opportunity to network with one another.

The event hosted 11 vendors from the Halifax area which provided educational resources, HIV quick-testing, exercise instruction, domestic violence, mental health resources, and so much more. A big thanks goes out to all the vendors who were able to participate:

- AmeriHealth Caritas
- Village Heartbeat
- Halifax County Public Health
- Hannah's Place
- Rural Health Group, multiple locations
- WIC of Halifax County
- Yoga Magnolia
- Choanoke Area Development Association (CADA)
- CJH Educational Grant Services, Inc.
- Building Bridges Without Limits

These series of events would not be possible without sponsorship from AmeriHealth Caritas, CJH Educational Grant Services, Inc., The Town of Enfield, and Choanoke Area Development Association of NC (CADA). Their commitment and effort is greatly appreciated.

Upcoming events will be:

- December 14 – Healthy Eating
- January 18 – Diabetes Awareness
- February 8 – Heart Health Awareness
