Information & Resources for Seniors

MANSFIELD TOWN GOVERNMENT AND SENIOR RESIDENTS

The municipal government in Mansfield recognizes that older residents are important members of our community.

The Town Council appoints members to the Commission on Aging to:

1. To study the conditions and needs of Senior Citizens in the Town in relation to housing, economics, health, transportation, and other matters.
2. To recommend and evaluate programs to meet the needs of the Senior Citizens and to suggest priorities for action.
3. To provide directions to appropriate resources for Senior Citizens in need of assistance.
4. To furnish information and advocacy to agencies and service providers who support Senior Citizens.

The Commission meets monthly and the public is welcome to attend. Please call the Human Services Department for meeting times at 860-429-3315.

The Human Services Department serves as the state mandated Municipal Agent for the Elderly by providing assistance in applying for services and assuring information and advocacy needs are met. The Department staff also provides consultation and referral to counseling for older persons and family members about any troubling personal concerns.
