

**PTC**

**COSSITT SCHOOL**

**Parent Teacher Council** - Where home and school come together for the benefit of children.

Please [Click Here](#) to pay your PTC dues of \$12 per family (or visit the Cossitt PTC webpage)

Remember to read the **Tiger Times** (formerly known as the **Friday Folder**) that is emailed out each Friday at 2:30pm!

This will inform you of important dates and allow you to sign up for volunteer opportunities.

**What does CCC Stand for?**  
Celebrating Cossitt Curriculum

## Welcome!

On behalf of the Cossitt Parent Teacher Council (PTC), welcome to the 2020-2021 school year. I think we can all agree that this will be a year like no other!

The Cossitt PTC is a nonprofit parent organization that works with teachers and staff to enrich the Cossitt experience for all of our students. The PTC supports a wide variety of programs to benefit our students and teachers:

**1**

### THE PTC SUPPORTS:

School assemblies, CCC festivals, author visits, birthday books, and more.

**2**

### THE PTC FUNDS:

Teacher wish lists, special building and grounds projects like the STEM Lab.

**3**

### THE PTC SPONSORS:

Class parties, social events, after school clubs, Family Fun Night & more!

## WELCOME LETTER

All that we do could not be accomplished without the generous volunteer time and financial contributions of our Cossitt Families.

That being said, due to COVID-19, we all know that this year will be very different. There are still many unknowns, but The PTC plans to provide as much support as we can to both the students and the teachers. We will still need volunteers, the roles may just look a little different.

We are expanding the room parent role, and we are working on ways to help make the year memorable for the kids—we want to find new and creative ways to bring unity and smiles to their faces during this crazy time!

**In preparation for the school year, please [click here](#) or go to [www.cossittptc.org](http://www.cossittptc.org) to pay your PTC dues of \$12 per family and sign up for PTC Volunteer opportunities.** All Cossitt families are automatically members of the PTC, but your dues help us achieve our mission. As a PTC member, you will be included in our school directory, which, new this year, will be an easy-to-use app!

To keep you informed of PTC events and activities, you will be emailed a **Tiger Times** (formerly known as the Friday Folder) each Friday at 2:30pm. Please read this each week to keep up-to-date with important events and dates. Also, please remember to “like” us on Facebook! Separate from the PTC Tiger Times, Mr. Michowski emails a bulletin, detailing Cossitt and District 102 activities. Please be sure to read both newsletters since they contain different information and events.

Although it will be a very different year, we look forward to a great year at Cossitt School. Thank you in advance for your time and support!

The Cossitt PTC Executive Board

*We are very sad we can't have our Back to School Party, but the PTC has purchased metal water bottles for all of the kids that we hope spread Cossitt pride!*
