Online Registration is NOW Open! SIGN-UP TODAY!!

WWW.CPCFRO.NET

We are an athletics program within District 102 that introduces the sports of Volleyball & Basketball to our 5th & 6th graders. The goal of our program is to introduce the basic skills of each sport, get the children in a competitive environment on the courts, and allow for the inclusion of all kids in our district. All the teams within CPCFRO are coached by parent volunteers, and the games are refereed by IHSA referees. This is a great opportunity to coach your son or daughter a couple hours a week, do not miss out! If you have never coached, no problem... you can seek out a neighbor/friend to co-coach with, or we can match you up with another parent at your home school. Many kids who will play, have never played these sports beyond a possible pick-up game at recess. Each team will play 7-8 games & receive a team shirt with the cost of \$35/player. While we keep score during the game, we do not keep track of wins/losses. We would like the focus to remain on instructional.

All participants must wear masks during practices and games. This includes students, coaches, referees, and spectators. We are following district recommendations.

CPCFRO Athletics Scholarship Program

CPCFRO also manages our own scholarship program for any need based families within our district. Please see our website for all the details.

The scholarship process is a 2 step registration:

Step #1: Submit your application for approval.

Step #2: Upon approval, you will receive an email with instructions to complete your child's registration.
