

EXECUTIVE TEAM SPOTLIGHT

NANCY HUDSON

Nancy Hudson is a dynamic and dedicated professional known for her exceptional contributions to social media coordination and community service. A native of Bogotá, Colombia, Nancy's journey is marked by her passion for communication, innovation, and service to the military community.

Nancy holds a Bachelor's degree in Business Administration and a Master's degree in Banking Administration and Financial Management from Politecnico Gran Colombiano in Bogotá, Colombia. Her academic background, complemented by studies with IBM in marketing and social media, provided her with a robust foundation to excel in her field.

In 2009, Nancy relocated to Stuttgart, Germany, with her husband, Dan Hudson, a retired Marine, and their daughters, Nicole and Grace. Embracing her new environment, Nancy began her career as a social media coordinator with U.S. Africa Command (AFRICOM). This role allowed her to engage actively with the Stuttgart military community, effectively communicating AFRICOM's initiatives both in Africa and locally. It was here that Nancy discovered her passion for leveraging social media to deliver impactful messages in innovative ways.

Her journey continued in 2012 when the family moved to Vicenza, Italy. Nancy volunteered as a social media writer for Army Community Services (ACS) and the American Red Cross. Over six years, she deepened her commitment to serving the military community, channeling her expertise into supporting Military Spouse Jobs and VetJobs. Her work has been instrumental in advocating for and empowering military families.

Beyond her professional endeavors, Nancy is a devoted sommelier with a love for wine and the arts, particularly painted stained glass. Her hobbies reflect her appreciation for creativity and culture, enriching her life and those around her.

Nancy Hudson's story is one of dedication, passion, and service. Her career and personal interests illustrate her commitment to making a positive impact, both within her community and beyond.
